

# IMPORTANT BANKING INFORMATION

February 22, 2010

Dear Ahola Client:

This letter concerns the National City Bank merger with PNC bank, in our area.

If your company has a NCB bank account, you have, or will soon be receiving information concerning your new bank account number and the conversion to PNC account numbers, which will happen in April 2010.

To our clients that have NCB business accounts being used for payroll, we will need the new PNC account numbers. For your employees that have NCB accounts being used for direct deposit, we will need the new PNC account numbers.

National City Bank has a large customer base and it will be a large undertaking to convert everyone to PNC.

We will be notifying our clients of the steps we will be taking to make this transition as smooth as possible.

Sincerely,

Mark Ahola
